2003/2004 Yearbook

Dear MBA Family,

We have just completed our 15<sup>th</sup> season of MBA basketball. We are very proud of the year we have had. We all strive to make the MBA the best youth sports program available.

You have shown your support by having your child play in the MBA when you had other choices. We appreciate that decision. Every child and every family in our program is important to us.

Please accept this picture Year Book of the 2003-04 season. We are giving it to you as a small token of our appreciation for being a part of the MBA family. We trust this will be a memory keepsake that will be enjoyed for years to come.

I have been involved in many youth programs and have seen how poorly parent involvement can be. I believe one of the reasons for our success is that we have great parents who care about their kids and spend the necessary time with them to make them good kids.

Very seldom do we have a child who brings what I would call "baggage." This is a tribute to the families who care what their kids are involved in. Because you care so much, we care about what kind of program we give you.

Thank you for allowing us to be a part of your family experience. It is an honor for the MBA, that you trust us with your children to help teach them life lessons through the game of basketball. We look forward to seeing you again next season.

Enjoy this memory book for years to come.

## Naismith Award

The Dr. James Naismith Sportsmanship Award is the highest award one can achieve in the MBA. It is given to an individual who consistently demonstrates over the course of the season the virtues of honesty, hard work, respect for those that they compete against, respect for officials, and sportsmanship in how they accept both victory and defeat on the court.
